You must work on this worksheet alone. Thanks.

1. [15 marks] In at most one page, tell me about your favorite game.

You might choose to answer some or all of the following questions. You might choose to answer other questions.

- Why do you like it?
- When did you learn it?
- Will this course help you understand the game better?
- Will this course help you to write a program related to the game (player, solver, environment, visualizer, tutor)?

Marking: you will receive full marks for whatever you submit. So don’t spend a lot of time on this, unless you want to. Stay well.
