Course Information Sheet, CMPUT204, Fall 2005

This sheet contains basic information you need to know about this course. For more details see the course web page:

`http://www.cs.ualberta.ca/~mreza/204-F05/`

Note: All announcements, assignments, and lecture notes will be posted on this web page. It is your responsibility to check this web page frequently (at least twice a week).

Instructor Information:

- **Instructor:** Mohammad R. Salavatipour
- **E-mail:** mreza@cs.ualberta.ca
- **Office:** Ath303
- **Phone:** 492-1759

The best way to contact me is by e-mail. I usually reply within 1-2 days, but if you have questions about an assignment it is better to ask early.

Time tables:

- **Lectures:**
  - Section A1: MWF 10:00-10:50, V128.
  - Section A2: MWF 12:00-12:50, V103.
- **Tutorials (seminars):**
  - Mon, 5:00-5:50, CAB357
  - Tue, 12:30-1:20, CAB229
  - Wed, 11:00-11:50 CAB377
- **Office hours:** MF 2-3.

Text book:

The text book for this course is: "Algorithm Design" By Michael Goodrich and Roberto Tamassia, John Wiley, 2002.

Further readings:

- "Introduction to Algorithms (second edition)" by T. H. Cormen, C. E. Leiserson, R. L. Rivest, and C. Stein. McGraw Hill. 2001.
- "Algorithm Design" by J. Kleinberg and E. Tardos. Addision Wesley, 2005.

Grading Scheme:

- Five assignments: 35% (5 at 7% each).
- Two term tests in class (50 minutes each) 26% (13% each).
- Final exam: 39%.

Important Dates:

Date	*Event*
Wed, Sep 7	First lecture (Assignment 1 is posted)
Wed, Sep 28	Assignment 1 due (Assignment 2 is posted)
Mon, Oct 10	Thanksgiving (no lecture)
Wed, Oct 12	Assignment 2 due
Wed, Oct 19	Term test 1 (Assignment 3 is posted)
Wed, Nov 2	Assignment 3 due (Assignment 4 posted)
Fri, Nov 11	Remembrance day (no lecture)
Wed, Nov 16	Assignment 4 due
Wed, Nov 23	Term test 2 (Assignment 5 posted)
Wed, Dec 7	Assignment 5 due, Last lecture

Assignments, late policy, and Plagiarism:

All assignments are due by noon (on the due date). Late assignments (up to 24 hours) will be deducted 50% of the full mark for that assignment. Assignments submitted later than 24 hours after due time will get zero.

All cases of plagiarism will be forwarded by the instructor to the Dean. For more information see the course web page and also follow the link to The Code of Student Behavior.
