JOB POSTING: Postdoctoral Fellow

The Theory Group in the Department of Computing Science (www.cs.ualberta.ca) at the University of Alberta invites applications for one postdoctoral fellowship position to start in Spring/Summer of 2014 (or later). This will be a one-year appointment, with the possibility of a one year extension. The successful applicant is expected to work closely with the faculty members in the Theory Group in the areas of: approximation algorithms, hardness of approximation, probabilistic and randomized methods.

Applicants must have received their PhD within the past 5 years or are expecting to receive it soon. Applicants should submit a letter of intent, curriculum vitae, and arrange for three confidential letters of reference to be sent to:

Zachary Friggstad/Mohammad R. Salavatipour
Department of Computing Science
University of Alberta
Edmonton, Alberta T6G 2E8
Canada

Email: zacharyf@cs.ualberta.ca or mreza@cs.ualberta.ca

Review of applications starts immediately, but the position will remain open until filled.
